Sarah Ireland and Sharon Goldsworthy enjoying the Green Horse Rally

PARC Rallies galore; and the Committee

What great rallies we've been having lately. Thank you to Sharon Libby for organising our fantastic May Dressage Rally - we had Donna Wellington come and give a 90 minute lesson to 4 groups of four. Being one of the lucky ones to secure a spot, I enjoyed first hand not only the great advice of a top rate dressage coach, but also the relaxed and beautiful atmosphere of the Montana Horse Arena.

We also have a big thank you to Sue Fraser for organising Yvonne Steers to host another Green Horse and Rider Rally. We have held two now and they have been enormously popular.

We ask people to be patient though, as this type of rally (along with the dressage rally) means that there are only a certain amount of spots available. As we have 100 members give or take, we are trying to be very fair and give people a go who missed out the last time, and spacing them out so we have more conventional rallies too where anyone can show up. Speaking of which...

We are hosting a Show Jump practice rally for members only, free of charge, on 1st July from roughly 10am to 1pm. We'll be sending out a flier and more info on this as we put the details together. Book the date! :o) It will start off with very low heights and work our way up during the day.

And keep an ear out for a member-organised trek at Willowford Cottage this July! Sounds like it will be a lot of fun, but shoes will most likely be required as apparently there is a bit of shale at the beginning.

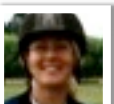

Again, I feel like a broken record but we need nominations for the PARC committee. I have decided to stay on for another year now, but I need people to join me, otherwise it will be a very sad year indeed. The reality is this: I will certainly not be able to organise any kind of show or otherwise on my own - so no more PARC shows. Yep that means no Christmas Ribbon Day, no Dressage Jumping Day and no Derby Day next year. Sorry guys, but that's the black and white of it. Time to step up!

ASMAR EQUESTRIAN
Sophisticated Design & Style

The All Weather Rider

The popular award winning coat that transforms to keep you and most saddles dry in all weather conditions. Front and back skirt unveil behind a hidden zipper gusset to fit over your saddle. When the skirts are not in use, they snap elegantly into place. Removable hood. A truly functionable garment for bike riders, scooters or outdoor enthusiasts. 3M Reflective safety piping at back. YKK zippers throughout. Zippered chest and side pockets for cell phone or personal items. Inside ribbed sleeve cuff to prevent hay and weather elements from entering.

ELT Arosa Long Coat

Weatherproof, warm riding coat designed to meet your fashionable demands. Comfortable, loose fit - idea for wearing isolating clothes underneath.

- waterresistant and breathable
- 2 way zipper
- 2 zipper side pockets, lined with fleece
- venting pits
- ribbed cuffs
- snugly fleece lining at the collar, incl chin cup
- detachable hood with an also detachable air trap made of faux fur
- reflecting details
- thumb openings at the knitted cuffs
- 1 inside pocket
- best possible heat adjustment ensured by the coat's lining
- long riding vent at the back
- leg straps

EquineNZ
PREMIUM EQUINE PRODUCTS

HIGHLY RECOMMENDED PRODUCTS

Made using Premium New Zealand wool. Our desire is to develop products which are environmentally friendly, and which most importantly protect

WOOL GIRTHS FROM \$50

Saddle blankets have good wither shape, well padded over back but clear through the spine area taking pressure away. Made from premium fabric which is of a special micron to ensure the fabric always has bounce to help absorb shock and pressure whilst allowing circulation... Great comfort and protection for the horses backs.
